Join CTA on Capitol Hill for Call on Washington

One of CTA's top priorities as a trade association is to represent our members in the halls of power - both here in Sacramento and, in conjunction with the **American Trucking Associations (ATA)**, in Washington D.C.

Next month CTA staff and members will be travelling to our nation's capitol for our **Call on Washington** to meet with California's elected lawmakers and staff. We have just a handful of spots open for our member motor carriers to participate.

This is a great opportunity to learn and understand the broader issues our industry faces, speak with your elected representatives and their staffs, and network with other like-minded CTA members and leaders.

Our visit is scheduled for **Tuesday, May 12 and Wednesday, May 13**, with a full agenda including a reception with the **Congressional Trucking Caucus** and pre-meeting briefings at the ATA HQ, and a busy day visiting lawmakers' offices on Capitol Hill.
