Coming Next Week:
CTA's Government Affairs Update

CTA's Government Affairs (GA) team is at the Capitol, on the phone, and in the offices of our policymakers to make business more viable for California trucking. As a result, we like to show our work on legislation and regulations with periodic GA calls for our members.

On **Tuesday, June 2**, CTA's **Nick Chappe** will provide the latest developments for the June Government Affairs update.

This webinar is an invaluable opportunity to stay up to date on the latest legislative and regulatory developments directly affecting the trucking industry in California.

Attendees will have an opportunity to ask questions during the webinar, and this event is free to all members.
