ALAN Immediate Non-Profit Transportation Request

The **American Logistics Aid Network (ALAN)** is requesting support from a transportation company to provide shipping of the following:

- Case 9914: Transportation of Four (4) Pallets - Biodegradable Disposable Pads - from San Diego, CA 92126 to Coconut Creek, FL 33073

Food for the Poor is collaborating with a medical volunteer to send menstrual products to Jamaica as part of continued efforts following Hurricane Melissa, but they need assistance with the first-mile transportation.

The pallets are 40 x 48 x 70" with a total estimated weight of 2,124 pounds. The origin has a grade-level dock door and will require a liftgate for loading. The destination site will not require one for offloading. Regarding the timeline, our contact indicated **this will need to be picked up by Saturday, January 31st.**

Please contact [Nick Chiappe](#) if you are interested in helping facilitate transportation.
